I never get mad – I get even.

By the way – I am asking this question to just make sure about something. Like I said, I am still confused about “final data” when I get spreadsheets sent to me from different sources.

Do you, Does HQ have the final, postable version of Region 6 data to put on the web in a few minutes?

Subject: PARTICIPATION REQUIRED: R8-HQ Screening Level Teleconference @ 1300 EDT

All,

Please plan to participate at a 1300 EDT call to discuss screening levels with Region 8.

The call-in information is as follows:

| | |
|--------------|-------------------------------|
| Phone #: 1- | |
| Access code: | Nonresponsive Conference Code |
| Leader pin: | |

Please let me know if you have any questions or concerns. And of course please forward this note to anyone I may have inadvertently left off.

Thanks,

Thomas Schneider
